an award winning study which analyzes the phenomenon of textual analysis in ancient israel exploring the tradition of exegesis prior to the development of biblical interpretation in early classical judaism and the earliest christian communities

introduction sources litigation status and family crimes and delicts property and inheritance contracts conclusion

in this first volume of a trilogy daniel j elazar addresses political uses of the idea of covenant the tradition that has adhered to that idea and the political arrangements that flow from it among the topics covered are covenant as a political concept the bible as a political commentary the post biblical tradition medieval covenant theory and jewish political culture

in this first volume of a trilogy daniel j elazar addresses political uses of the idea of covenant the tradition that has adhered to that idea and the political arrangements that flow from it among the topics covered are covenant as a political concept the bible as a political commentary the post biblical tradition medieval covenant theory and jewish political culture

we the people explores john howard yoder s account of peoplehood and develops an appreciative revision that considers the politics of jesus in relation to the people of israel this revision articulates the theopolitical stakes in relation to the modern nation state s claims to peoplehood and the observable effects of its exegetical and historical

moorings in self assertion as the new and purified israel tommy givens then undertakes a critical engagement with karl barth s account of god s election and a theologically sensitive exegesis of key biblical texts in dialogue with carl schmitt jacob taubes and n t wright

four respected scholars of the hebrew bible and early judaism provide a clear portrait of the family in ancient israel important theological and ethical implications are made for the family today the family culture and religion series offers informed and responsible analyses of the state of the american family from a religious perspective and provides practical assistance for the family s revitalization

at the center of this book lies a fundamental yet unanswered question under which historical and sociological conditions and in what manner the hebrew bible became an authoritative tradition that is holy scripture and the canon of judaism as well as christianity reinhard g kratz answers this very question by distinguishing between historical and biblical israel this foundational and for the arrangement of the book crucial distinction affirms that the israel of biblical tradition i e the sacred history *historia sacra* of the hebrew bible cannot simply be equated with the history of israel and judah thus kratz provides a synthesis of both the israelite and judahite history and the genesis and development of biblical tradition in two separate chapters though each area depends directly and inevitably upon the other these two distinct perspectives on israel are then confronted and correlated in a third chapter which constitutes an area intimately connected with the former but generally overlooked apart from specialized inquiries those places and archives that either yielded jewish documents and manuscripts elephantine al yahudu qumran or are associated conspicuously with the tradition of the hebrew bible mount gerizim jerusalem alexandria here the various epigraphic and literary evidence for the history of israel and judah comes to the fore such evidence sometimes represents israel s history at other times it reflects its traditions at still others it reflects both simultaneously the different sources point to different types of judean or jewish identity in persian and hellenistic times

relying on archeological artifacts and anthropological study george mendenhall re tells the story of israel s history and faith while careful not to move beyond the evidence mendenhall also provides an account of the theological dimensions of israel s history

the definitive guide to the history of ancient israel the history of ancient israel covers the epic story of jewish civilisation from its beginnings to the destruction of jerusalem and the temple in ad 70 it deals with israel s relations with the great empires which shaped its development and with the changing internal structure of the jewish state drawing both on excavation and the hebrew bible

this volume brings together essays by an international group of biblical scholars on old testament topics employing social scientific methods anthropology macro sociology social psychology and so forth

no detailed description available for the form and function of proverbs in ancient israel

many of the numbers are translations and or reprints of previously published works

the sex laws of the hebrew bible are well known if not notorious from them many have concluded that in ancient israel adultery was a capital crime that there was no conception of rape that brides had to be virgins and that women had no autonomy whatsoever but was that the reality not if we broaden our horizon beyond the laws argues lipka who focusses here on sexual transgression that is the trespass against

sexual boundaries she finds three aspects of sexual transgression it may be transgression against religious boundaries sexual acts violating divine law against communal boundaries sexual acts violating the rights of another member of the community or against personal boundaries sexual acts imposed by force and or violence transgressive sex is complicated but some conclusions are possible 1 though adultery was universally disapproved of there was a wide variety of opinions on who was considered guilty who was considered the offended party who was punished what the punishment was and who should execute it 2 there was indeed a conception of rape with an understanding of its devastating emotional and psychological consequences for the victim 3 though virginity in brides was the norm and young women were under a great deal of pressure to preserve their virginity it was unrealistic for all men in ancient israel to expect their wives to be virgins 4 women did not enjoy legal autonomy over their sexuality yet they were not completely powerless they had some degree of personal sexual autonomy and some took the liberty of doing with their bodies as they pleased

preliminary material introduction ugaritic texts biblical texts conclusion bibliography index of citations author index

based on the latest research and presents a vivid description of ancient isreal p 2 of cover

Eventually, **Life In Biblical Israel** will extremely discover a new experience and exploit by spending more cash. yet when? get you agree to that you require to acquire those every needs later than having significantly cash? Why dont you try to acquire something basic in the beginning? Thats something that will lead you to comprehend even more Life In Biblical Israel regarding the globe, experience, some places, similar to history, amusement, and a lot more? It is your agreed Life In Biblical Israel own epoch to perform reviewing habit. in the midst of guides you could enjoy now is **Life In Biblical Israel** below.
